

## R&D Profile Form

<b>Name of the Organisation</b>	University of Maribor, Faculty of Civil Engineering Transport Economics Centre
<b>Organisation Short Name</b>	UNI MB - TEC
<b>Organisation Type</b>	University (Research/education)
<b>Country</b>	Slovenia
<b>Fields of Activity</b>	Transport research, education and training in the field of Road, Rail and Intermodal transport with special emphasis on logistics and economics.
<b>Skills and Expertise Offered</b>	Skills and Expertise of the Transport economics centre can be grouped into the following action fields: -Logistics; -Transport policy; -Transport economics; -Transport planning; -Transport technologies; -Intelligent transport systems; -Transport optimisation; -Transport and environment; -Etc.
<b>Keywords</b>	Transport, Logistics, Economics, Co-modality, Sustainability, Optimisation
<b>Previous FP Projects Participated</b>	PORTAL (2000 – 2003) - Promotion of Results In Transport Research and Learning EC, »Competitive and Sustainable Growth Programme« ALP-NET (2001 – 2003) - Thematic Network on Trans Alpine Crossing, EU Fifth Framework Programme BESTUFS I (2002-2003) – Best urban freight solutions, EU Fifth Framework Programme IMPRINT EUROPE (2001-2003) - Promotion and Implementation of Fair and Efficient Transport Pricing, European Thematic Network MC ICAM (2001-2003) - Implementation of Marginal Cost Pricing in Transport – Integrated Conceptual and Applied Model Analysis, EU Research Programme. TREMOVE (2003-2004) - Integrated Simulation Model Developed for the Strategic Analysis of Costs, Effects of Policy Instruments Applicable to Local, Regional and European level of Transport Market, FP6

## R&D Profile Form

	<p>CORELOG (2005-2007) - COordinated REgional LOGistics (Interreg III B)</p> <p>BESTUFS II (2005-2008/09) - BEST Urban Freight Solutions, EU research programme - FP6</p> <p>DIFFERENT (2006-2008/09) - User Reaction and Efficient DIFFERENTIation of Charges and Tolls, FP6</p> <p>PROMIT (2006-2009) - Promoting Innovative Intermodal Freight Transport, FP6</p> <p>TRALOTRA (2007 – 2009) - Development, diffusion and application of professional innovative Training tools in Logistics and Transport through territorial Agencies in order to improve intermodal transport, based on European best practices</p> <p>RECODRIVE (2007-2010) – Rewarding and Recognition Schemes for Energy Conserving Driving, Vehicles and maintenance, IEE</p> <p>KOMODA (2008 – 2010), Co-modality - towards optimised integrated chains in freight transport logistics, FP7</p> <p>KASSETTS (2008-2011) - Knowledge-enabled Access of Central Europe SMEs to Efficient Transnational Transport Solutions, Central Europe Programme</p> <p>CASTLE (2008-2011) – Cooperation Among SMEs Toward Logistic Excellence, Interreg IV c Programme</p> <p>B2B LOCO (2009-2011) - Baltic - To - Balkan Network for Logistics Competence, FP7</p> <p>TransNEW (2010-2011) - Support for realising New Member and Associated States' potentials in transport research (FP7)</p>
<p><b>Research topic(s) of interes</b></p>	<p>On general:</p> <ul style="list-style-type: none"> <li>–Strengthening the European research area, encouraging participation, and exploitation of research results</li> <li>–The greening of surface transport</li> <li>–Encouraging modal shift and decongesting transport corridors</li> <li>–Competitive surface transport products and services</li> <li>–Logistics and co-modality</li> </ul> <p>In particular:</p> <ul style="list-style-type: none"> <li>–Eco-logistics</li> <li>–Green hubs enabling co-modal network design</li> <li>–Driver Support (eco-driving/driver-coaching)</li> <li>–Improve capturing and sharing of transport data in support of innovative freight transport schemes</li> </ul>

## R&D Profile Form

	<ul style="list-style-type: none"> <li>–Platform for continuous intermodal freight transport strategic research and innovation</li> <li>–Take-up of transport innovation in urban and regional transport</li> <li>–Research cooperation with ICPC and European neighbourhood countries in the field of mobility management</li> </ul>
